1 Are you being a gun? Nope. Well kind of hard to stop 6,000 police officers who are armed to the teeth of none of us have guns?

1 If anyone tries to do shit you will get fucked up. There will be 6,000 cops in a 2 mile area. Plus they are bringing in uniformed secret service. Anyone out after the two hour permit will get fucked up. Not one person will be there with a gun. Everyone is lying there asses off on here hoping someone else will do. No one even stepped up to do any organizing anyways.

1 President Trump will protect The Republic. He has all the help he needs. This March is a peaceful parade of support, not an attack.
